

Thank you so much for your interest in watching Throw Your Heart Into The Sea (Wirf Dein Herz Ins Meer). We are very happy to partner with The KINO VOD CLUB (“Cinema Video-on-demand Club”), but understand that the website might be a bit difficult to navigate for English speakers. Here is a guide to get you to the film!

1. Go to <https://www.vodclub.online/en/film/wirf-dein-herz-ins-meer/>

2. If you are able, you can translate the page into English using your browser. For instance, on Google Chrome, you can click the three vertical dots in the upper right hand corner, and click translate. This should bring up an option to switch between German and English. (Sometimes it gets “stuck” and you might have to switch back to German, then back to English)

3. Next click “Leihen” or Lend

5. A thing we love about the KINO VOD CLUB is that it supports local cinemas. But that also means you have to choose one. You can choose any, though our premiere was at Moviemento in Linz, and you can choose that one if you are unsure.

- Click “Kino wählen”
- then Oberösterreich (Upper Austria)
- then Moviemento.
- Then WEITER ZUR KASSE or Proceed to Checkout
